Christmas 2026

Change the script for one local child, a family or an adult.

How will your company **#BeeThere** for others this Christmas?

Introduction

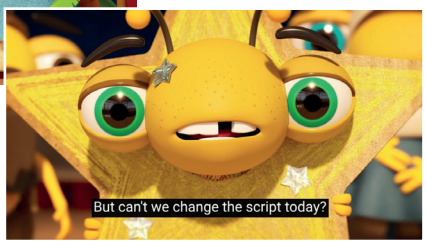

This Christmas, Caritas Salford is asking if you will rewrite the script for just one person?

It simply isn't fair that some local children and adults don't have enough to eat, or somewhere safe to call home. We know that you agree!

We need you to #BeeThere to help someone this Christmas. Because everyone deserves hope, a safe home and a future built on dignity.

Launching in November. Have you seen our animation? Bee quick! Tune in now!

Our child bees are starring in the school nativity play, No room at the inn, and the rehearsals are going a little off-script … You can watch the animation from 10 November at www.caritassalford.org.uk/BeeThere

Why don't you get involved too?

Will you have a think about how you and your colleagues could make a difference to the lives of just ONE child or adult this Christmas? Perhaps you could hold an office fundraiser, like a cake sale or wear an ugly jumper day? £10 could provide three hot nutritious meals for someone homeless at our Caritas day centre. £1,500 could sponsor a room for a whole year in a Caritas safe supported accommodation project. Or, take a look at our Christmas gift catalogue for more donation amount ideas www.caritassalford.org.uk/AChristmasGift
We can't wait to hear about what you plan to do to #BeeThere for just one person experiencing poverty or homelessness.

Everyone needs a gift from Santa at Christmas

This year, more than 2,000 Christmas meals and celebrations will be held for the adults in our day centres and accommodation projects. We want to ensure every one has a Christmas present to open with their meal, but need them to be the same item.

The perfect present is the Lynx or similar boxed toiletry gift sets (duo or trio sets) that are on sale in supermarkets at Christmas; typically containing a shower gel, antiperspirant or body spray.

We need these for men and for women please, and please don't wrap them, as our elves will do that.
