Catholic Social Teaching Award

Your free Caritas Salford Catholic Social Teaching Award is a way for you to:

- Embed the principles of Catholic Social Teaching as part of the Catholic Life and Mission of your school or college.
- Celebrate and reward your young people for social action.
- Encourage everyone across your school or college to live their faith by putting love into action.
- Empower young people to become social activists and make a real difference in their local communities.

The award is made from 100 per cent sustainable oak, and has a modern design so it can be displayed prominently in school.

You can award it weekly, monthly, annually, or as often as you wish, and it provides a great opportunity to share good news stories and celebrate achievements together.
