

WAYS TO SUPPORT OUR SERVICES DURING COVID-19

CREATE, SEW, BUILD, BAKE

Whatever hobby you enjoy, ask friends and relatives for a donation in return for your creation.

SELL PRE-LOVED ITEMS

Have you used lockdown to de-clutter and clear out? Set up a bric-a-brac sale outside your home with an honesty box for donations.

SPONSORED CHALLENGE

Be sponsored for your own virtual isolation challenge. Climb a mountain, run a marathon, walk the Camino - all within the confines of your home or backyard.

DONATE IN CELEBRATION

Celebrating a special birthday or anniversary in lockdown? Ask for donations instead of presents and use your celebrations to help others when it matters most.

ONLINE EXERCISE CLASS

Organise an online workout or class and invite your fellow fitness fanatics to join in too by making a donation.

GUESS THE WEIGHT/NAME

Share a photo of the item on your chosen social media and ask friends and relatives to make a donation per guess.

...LOVE DOES NOT END IN LOCKDOWN.

Thank you so much for fundraising during this difficult time to help the homeless, the lonely, the vulnerable and the marginalised. We would love to hear about your plans and help you to keep safe. Contact us by email fundraising@caritassalford.org.uk or telephone 0161 817 2285
